LIVING OUR MISSION

I would like to thank the 158 households for generously pledging a gift to the *Living Our Mission* Campaign. However, 158 households equals *only* thirty-four percent of our 485 registered families. A campaign of this scale comes along *once in a lifetime* and is a chance to do something really great for our parish. What we need now is greater participation—a modest monthly pledge over 60 months will make a real difference. I am inviting 50 more families to prayerfully consider a gift. So, if you have not made your gift, please prayerfully consider doing so. For your convenience envelopes are available in the basket on the desk to mail your pledges to the Diocese. I thank you for your prayerful consideration of a pledge, and again to those of you who have already done so, God Bless you and thank you.
