Baptism preparation classes are held four times a year: December, March, June and September. The Sacrament of Baptism is held four times a year: January, April, July and October. Parents wishing to baptize their children must attend one of the preparation classes.

Marriage

Please make arrangements through the Parish Office at least six months in advance of the proposed date. If either party was married before, special procedures have to be followed and no date may be set.

Sacrament of Anointing

If you are seriously ill, anticipating surgery, or weakened by advanced age, please take advantage of the scheduled celebrations or contact Father any time for this sacrament.

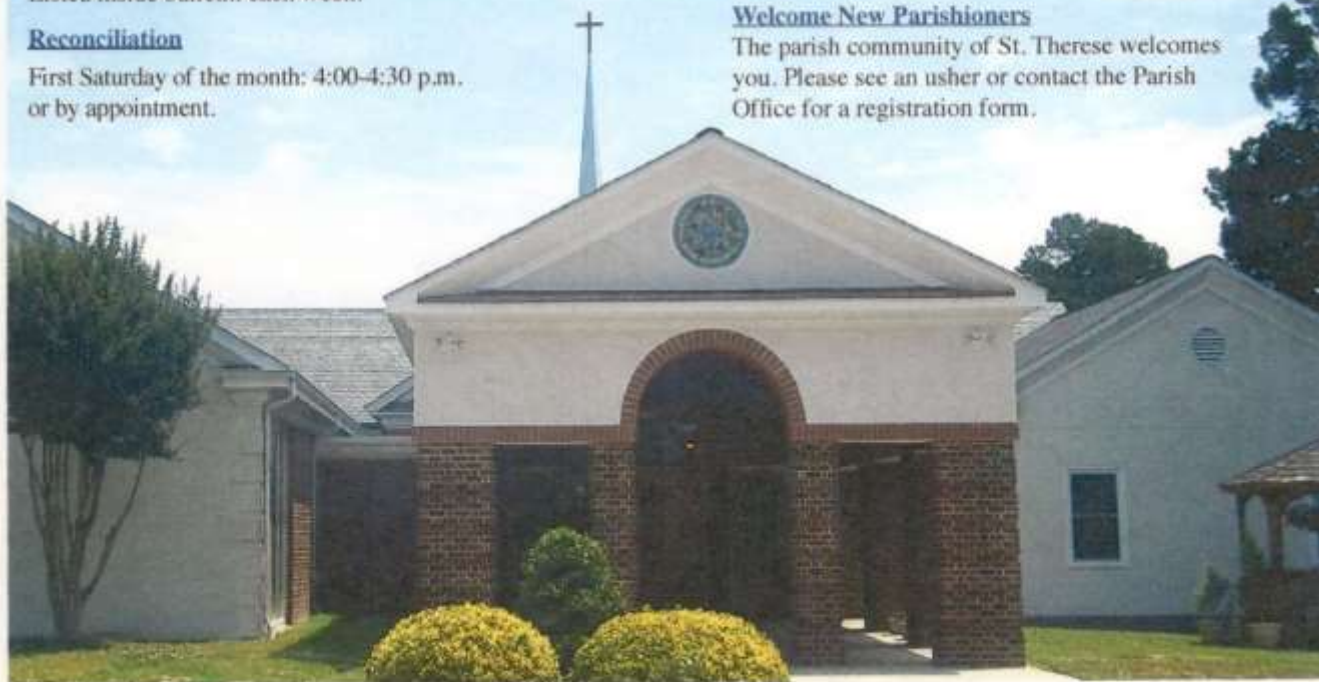

Rite of Christian Initiation of Adults (RCIA)

Those seeking a deeper relationship with Christ through membership in the Roman Catholic Church are guided through the RCIA process. Inquiry and study of Catholic tradition and doctrine lead to full participation through the Sacraments of Initiation and reflection on the depth of God's love revealed in the Paschal Mystery.

Please contact the Parish Office to learn more about the RCIA process.

Welcome New Parishioners

The parish community of St. Therese welcomes you. Please see an usher or contact the Parish Office for a registration form.

From Father Gregory:

Today Bishop Knestout suspended all public Masses in the Diocese until further notice. All non-essential meetings at the church are cancelled.

Let us pray for healing for those who have contracted the coronavirus, for protection for caregivers, and for an end to this pandemic. As God's sons and daughters, we draw close to the Lord and remember Jesus' constant refrain in the Gospels, "Do not be afraid". Fear is the Devil's greatest tool; but as our holy patroness Saint Therese teaches us, we who believe trust in God's goodness.

Peace in Jesus our Savior,
fr. gregory+

Have
the
Talk of a Lifetime

You talk about many things with your loved ones from day-to-day details to big events. Sharing stories with those who matter most isn't just important today, it will be especially significant when it's time to honor and commemorate your lives.

Personalization at the end of life is more than a need to tell a person's life story and life transformation, making your comforting, thoughtful memorialization starts when loved ones tell about what matters most, memories made, lessons learned and how they hope to be remembered.
