### SAINT THERESE FINANCIAL SUMMARY July 2022- June 2023

This memo provides information on the financial position of St. Therese for the first three quarters (9 months) of the Fiscal Year. This Statement of Operating Income depicts a net loss from operations of \$10,302.03. The church has unrealized gains from investments and the endowment fund of \$25,336.22 which cannot be spent without diminishing the principal (selling investments).

We saw a huge rise in online giving platforms with now 34% of the parish giving electronically. Of the 558 registered families at the parish, 433 of them give via some form of registered giving, with 8% contributing to loose cash or not contributing. This information also indicates that the majority of our income is from Regular Contributions and Special Designated Donations. Many thanks also to parishioners who continue to donate to the Endowment Fund. In addition, donations to the endowment are on track to fund the spending plan which allows for the use of interest income above the amount of the spending plan threshold. The generosity of the parish has enabled us to establish this fund which will allow a future income stream for the parish.

Operating expenses this quarter reflect our Diocesan Mandates/Overhead. Utility reductions have helped offset lower overall income. The church staff has always maintained meticulous records and demonstrated exemplary fiduciary responsibility with our donations during these difficult economic times. In accordance with Father Gregory's direction, only necessary expenditures are currently funded.

We appreciate your generosity and ask that you continue to support Saint Therese with your time, talent and treasure. Should you have any questions, please feel free to contact me, Sylvester McClellan, Finance Council Chair at 804-642-6881 or any member of the Finance Council.
